

Koffi Christian KOUAYI

Mechanical Engineering Student — Aerospace Design Enthusiast

+212 684 29 37 91 christianuspanthera@gmail.com

www.linkedin.com/in/koffi-christian-kouayi-a333972b5

Fès, Morocco

Profile

Mechanical Engineering student with a strong interest in **aerospace design, mechanical design and CAD engineering**. Certified **SOLIDWORKS Professional (CSWP)** with practical experience in 3D parametric modeling, assemblies and engineering design. Motivated to develop industry-oriented skills and gain hands-on experience in aerospace component design, engineering drawings and real-world mechanical projects.

Education

Mechanical Engineering

FST USMBA Fes, Morocco

2026 – Present

DEUST – Mechanical Engineering and Industrial Systems

FST USMBA Fes, Morocco

2024-2026

Certifications

Certified SOLIDWORKS Professional (CSWP)

Dassault Systèmes – SOLIDWORKS

- Advanced proficiency in parametric mechanical design.
- 3D part modeling and design intent.
- Mechanical assemblies and design modifications.

Certified SOLIDWORKS Associate (CSWA)

Dassault Systèmes – SOLIDWORKS

Technical Skills

CAD / Design	SOLIDWORKS, CATIA V5, 3D Parametric Modeling, Part Design, Assembly Design, Engineering Drawings
Mechanical Engineering	Engineering Mechanics, Machine Design, Materials, Mechanical Systems, Technical Drawing
Aerospace Design Engineering	Aircraft Component Design, Aerospace Design Concepts, 3D Modeling and Assembly Design
Engineering Programming	Design Intent, Problem Solving, Design Development, Technical Documentation
Python, C	
Languages	Python, C
	French – Fluent — English – B2 Upper intermediate

Relevant Coursework

Engineering Mechanics	Materials Science
Machine Design	Technical Drawing
Mathematics	Physics
Mechanical Systems	CAD / Computer-Aided Design

Professional Strengths

- Strong mechanical engineering fundamentals
- Analytical and problem-solving mindset
- Attention to detail in mechanical design
- Fast learner and highly motivated
- Interest in aerospace engineering and aircraft design
- Ability to work independently and as part of a team
